## Part II.

**SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:**

**See Continuation Sheet**

### Part III.

- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacts applicant representative Dan C. Hu to discuss the claims 3, 38 and 46 regarding to 101 and 112 issues, during the discussion the examiner suggests Mr. Hu to amend the claim 1 for example "generating an execution plan for a query based on an emulated database environment created by emulating the target database system; and visually displaying steps of the execution plan in the user interface" to over come the 101 and same the same for the others claims 38 and 46. The examiner also suggests Mr. Hu to amend the claim 38 "receive the environment information from the target database system" to over come the 112 issue and also amending the preamble as to " for execution by at least one processor in that when executed cause a first system to" in claim 38. Mr. Hu authorizes the changes by the examiner amendment. .
